OBJECTIVE

I am eager to kickstart my career as a frontend developer. Armed with a solid foundation in HTML, CSS, Bootstrap,and JavaScript, I am enthusiastic about applying my knowledge and learning new technologies to create captivating user experiences. My goal is to contribute to innovative projects, collaborate with experienced developers, and continuously grow as a frontend professional in a dynamic and supportive environment."

EDUCATION

03/2020-03/2023

Bcom Computer
ACME Degree College , Malakpet

Grade 7.7

EXPERIENCE

09/2023-Present

Frontend Developer Intern
Dizi Solutions

Throughout my tenure, I actively collaborated with seasoned developers, absorbing invaluable insights and contributing to the creation of responsive and visually captivating web applications. One of my primary responsibilities was to assist in the development process by leveraging my expertise in HTML5, CSS3, and JavaScript to craft seamless user interfaces that seamlessly translated design concepts into interactive digital experiences.
